

Classical Music... *San Diego Style!*

Camarada's *Cabernet Series* Venue Host Information

Camarada's *Cabernet Series* introduces an old concept in chamber music: the chamber. Magical evenings of rare wines, gourmet cuisine, and exquisite music played in private homes for a small circle of friends. The result is the most intimate and relaxing chamber music experience in San Diego. Each *Cabernet* evening begins with a wine tasting of rare vintages from a private cellar, followed by elegant bistro dinners, designed to complement both the wine and the music for the evening. After dinner, chamber music from all eras comes alive during the *Cabernet* concerts. The warm atmosphere of a private home allows guests to feel the music, distinguish among the instruments, and observe each musician's technique. It's intimate and personal; the way chamber music was intended to be. **Camarada** venue hosts make the *Cabernet Series* possible. By opening their homes to some of San Diego's most sophisticated music lovers, they perpetuate a tradition several centuries old.

And Now Introducing.... **Camarada's *Realtor Packages***
